

MANNOL Longlife 504/507 7715

Synthetic engine oil of the new generation, specially developed for use in all petrol and diesel engines from Volkswagen, Audi, Skoda, Seat. The high-tech additive package (low SAPS – low content of sulphur, ash and phosphorus) ensures optimal operation of the environmental protection systems as well as of diesel particulate filters (DPF). Effectively protects from wear and ensures exceptional cleanness of the engine separate parts. Recommended for all modern petrol and diesel engines, among these such meeting the environmental standards Euro 4 und Euro 5. Can be used in all engines that require the use of oil meeting the VW norms 502 00, 505 00, 505 01, 503 00, 503 01, 506 00, 506 01. It is used in engines with extended oil change intervals (up to 30,000 km) and without.
