

CEPSA PLATINUM 5W30 DPF

Description

100% latest-generation synthetic oil especially indicated to optimise the life and efficiency of engines with post-gas treatment systems (particulate filters, TWCs, CATs, etc.), and to provide extra fuel savings in petrol and diesel vehicles ("Fuel Economy" oil).

Applications

- Formulated to amply exceed the requirements of the latest car and light commercial vehicle models, both petrol and diesel, whose manufacturers specify an ACEA C2 engine oil (PEUGEOT, CITROEN, TOYOTA, LEXUS, NISSAN, SUBARU, HONDA, FIAT, etc.).*
- Exceeds the requirements of PSA Group specifications (Peugeot – Citroën) PSA B71 2290 for vehicles equipped with particulate filters (FAP/DPF).
- Also for lubrication in high-performance cars, where use of a synthetic "Fuel Economy" oil is recommended: ACEA A5/B5.
- Suitable for use in all vehicles that meet the EURO 6 standard and earlier ones.

* Consult the vehicle maintenance manual

Product features

- Given its "Fuel Economy" characteristics, it helps reduce gas emissions (M111FE >2.5% in the Fuel Economy Test).
- Excellent anti-wear and cleaning performance in engines, extending their useful life and optimising their features.
- Prevents deterioration of catalytic converters and particulate filters (DPF) due to its low "ash, phosphorous and sulphur" content.

Quality Levels

• ACEA C2-10

• PSA B71 2290

• API SN/CF

Typical Characteristics

CHARACTERISTICS	ASTM STANDARD	CEPSA PLATINUM DPF
SAE Grade	SAE J 300	5W30
Density 15°C, g/cc	D-4052	0.8524
Freezing Point °C	D-97	-39
Viscosity cSt at 100°C	D-445	10.39
Viscosity cSt at 40°C	D-445	60
Viscosity Index	D-2270	163
Viscosity CCS at -30°C (cP)	D-5293	5418
Sulphated Ash (%)	D-874	≤0.8
Base Number, mg KOH/g	D-2896	7.58
Viscosity HTHS, cP	D-4683	2.98

Safety, Health and Environment

In accordance with legislation in force, this product has the corresponding Material Safety Data Sheet, which provides information about potential hazards, handling precautions and first aid measures, together with available environmental data.

The values for typical characteristics shown in the table are average values provided for information purposes only, and they do not constitute a guarantee. These values may be changed without prior notice.
