

PLATINUM PRO C4 5W-30

Quality class: SAE: 5W-30
Viscosity grad: ACEA: C4

GENERAL FEATURES:

Platinum PRO is the latest generation of professional engine oil with the revolutionary SMART Formula and double filtration system. Platinum PRO complies with or exceeds the latest requirements of car manufacturers. Double filtration guarantees the highest quality and exceptional purity of the oil. SMART Formula means confidence and reliability of the engine in all circumstances: · exceptional engine protection under all kinds of conditions; · lower costs of operation due to reduced fuel consumption; · reduction in the emission of environmentally harmful substances.

APPLICATION:

Platinum PRO C4 5W-30 is recommended for petrol and Diesel car and van engines. It ensures efficient lubrication in all kinds of conditions, both in urban and extra urban traffic. Due to its unique properties, it quickly reaches friction pairs which facilitates starting the engine, especially in winter. Recommended for engines with and without turbocharger, also in vehicles with exhaust gas treatment systems, such as: Diesel particulate filter and three-way catalytic converter. It is suitable for cars compliant with the Euro 6 standard.

STANDARDS, APPROVALS. SPECIFICATION:

Approvals:
Renault RN0720
Mercedes-Benz 226.51
Mercedes-Benz 229.51

Physical and chemical properties:

PARAMETERS	UNIT	TYPICAL VALUES
SAE viscosity grade	-	5W-30
kinematic viscosity at 100°C	mm ² /s	12,2
viscosity index	-	161
structural viscosity CCS at -30°C	mPa*s	5930
TBN	Mg KOH/g	7,8
sulphated ash	%	0,49

NOTE:
Physicochemical parameters listed in the table are typical values. Real values are stated in quality control certificates attached to each product lot.
